Hey Lorie,

It turns out the draft HRS package was never finalized since the Commonwealth of PA did not support the listing at the time (See Bishop_NPL_memo). The draft HRS Package and other documents are in SEMS online. Do you think Yaz wants to see the full draft package?

Thanks,

Chris,

We can touch base tomorrow if you're in. The HRS should be in the file and I think there's probably also a memo of some kind as to why it didn't go forward. You might already have this info from past inquiries.

Hi Chris/Lorie,

Please provide information regarding any HRS evaluation we have done in the past. I understand we tried to list it but did not get state concurrence.

Thanks,
Yaz
